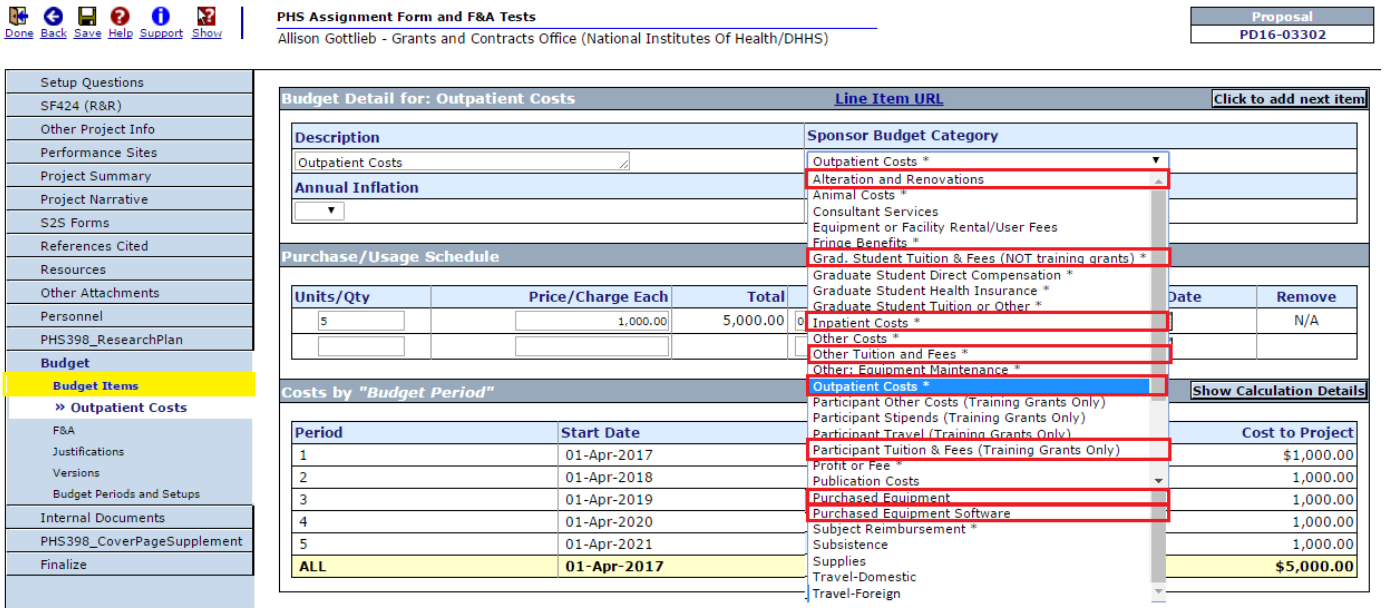
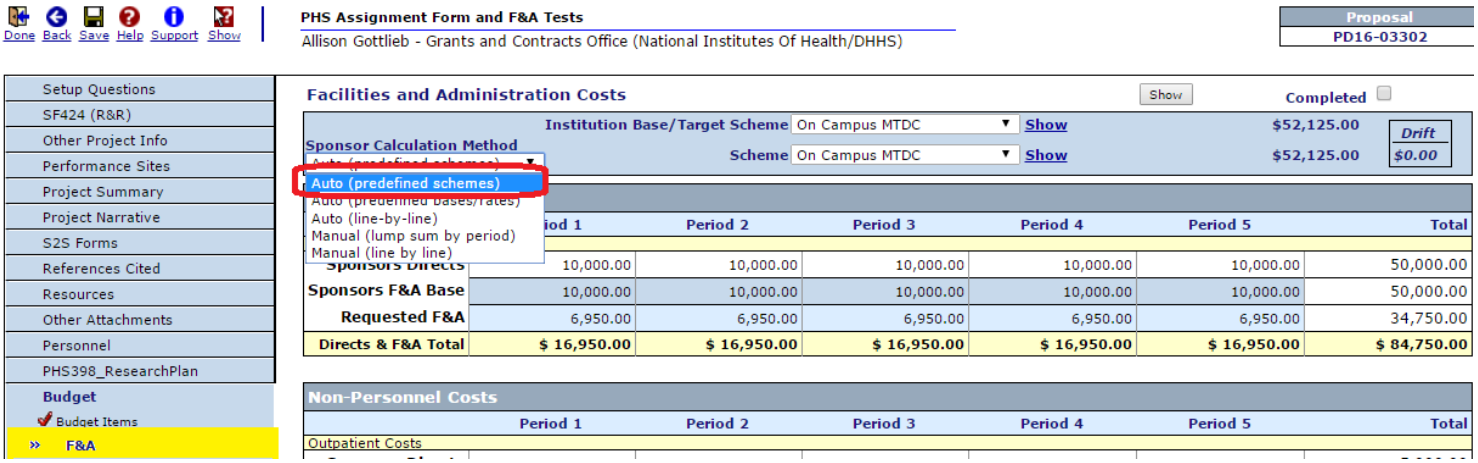
InfoEd Budget Items Excluded from Federal Overhead

1. When you create a federal sponsored project budget in InfoEd and choose the following items from the drop down category in the "Non-Personnel Costs > Budget Items," overhead is not applied:

    - Alterations and Renovations
    - Grad. Student Tuition & Fees (NOT training grants)
    - Inpatient Costs
    - Other Tuition and Fees
    - Outpatient Costs
    - Participant Tuition & Fees
    - Purchased Equipment
    - Purchased Equipment Software



Refer to the "Calculating F&A Expenses" section of GCO's Administrative Information Sheet for the definitions of many of the excludable items above.


2. When completing the F&A tab, choose the default "Auto (predefined schemes)" for research grants.
